NOTES:

- **“OPENING CEREMONY”** only on Wednesday & Saturday.
- **“CLOSING CEREMONY”** on last night consists of brief Thank You from the Board.
- **WHITE MAN vs. NATIVE WOMEN TUG-O-WAR** would be a ‘floating’ event, to be held on any night as time allows or, if necessary, omitted.
- **All evening athletic events** will warm-up/check-in/line-up during the prior event. This way, athletes will be ready to go right into the competition, can start at a higher mark and take less time to the finish.
